Beard care is important, but it doesn't have to be a hassle, thanks to Skinergy.

Whether you've already got a tache, a beard or are just starting to grow your mo, our best-selling Skinergy Beard & Skin Care range is just what you need.

Beard & Face Wash

Moisturises your face and facial hair in one easy but highly effective step.

Description

A gentle yet effective foaming beard and face wash. Specially formulated to enhance the condition of the beard. Cleanses without causing moisture loss.

Application

Wash your face, beard and neck twice a day. Apply a sufficient amount of Beard & Face Wash to clean hands. Emulsify with water and gently cleanse. Rinse with lukewarm water.

Ingredients

Hydrolysed Jojoba Protein - enhances beard condition and moisturises your skin.

Hydrolyzed Wheat Protein - thickens, repairs and adds volume to the hair.

Coco-Glucoside - a gentle, natural surfactant made from sugar cane, ensuring heaps of foam without the irritation of traditional soaps.

Nasturtium, Garlic, Pine, Burdock, Rosemary, Ivy and Arnica Extracts - encourage hair growth, while enhancing hair conditioning and shine.

Betaine - amino acid that protects and moisturises.

Lactic, Citric and Malic Acid - AHA's that remove dead skin cells for a smoother skin.

Green Tea Leaf Extract - a great antioxidant and anti-inflammatory.

Wheat Germ Oil - very high in vitamin E & essential fatty acids, a natural antioxidant that strengthens the skin barrier and keeps your beard moisturised.

Hyaluronic Acid - hydrates your skin, follicle roots and hair strands, reducing fizziness.

200 ml

Beard Conditioner

Soften and continuously enhance your beard's strength and condition.

Description

Scientifically formulated to contain the latest technology in active compounds. Softens and strengthens your beard.

Application

Apply Beard Conditioner after cleansing with Beard & Face Wash. Leave for 5 to 15 minutes for best results. Rinse with lukewarm water.

Ingredients

Rice Bran Oil - repairs dryness, damage and brittleness, contributing to hair's moisture and softness.

Cetrimonium Chloride - conditions and inhibits the growth of micro-organisms.

Jojoba Oil - naturally moisturises, protecting against dryness, breakage and split ends.

Isoamyl Laurate - improves beard texture, helping hair stay smooth.

Rosemary Leaf Extract - antioxidant and anti-inflammatory.

Brassica Campestris Seed Oil - Oleic acid controls water loss in hair strands, making hair softer and more pliable, and linoleic acid stimulates hair growth.

100 ml

Beard Growth Serum

Enhance the condition of your beard while boosting hair growth.

Description

Skinergy Beard Growth Serum is a light cream-based serum containing natural oils known to enhance the condition of the beard while vigorously stimulating hair growth.

Application

Apply to the dry roots of the beard twice daily. Work into the skin vigorously to ensure all over application.

Ingredients

Bay Rum Oil - boosts hair growth and strengthens your hair follicles.

Jamaican Black Castor Seed Oil - promotes healthier hair and growth.

Rice Bran Oil - ferulic acid and esters stimulate hair growth, while Omega-3 and Omega-6 nourish hair and prevent premature greying.

Apricot Kernel Oil - stimulates hair growth, retains moisture and adds shine to your facial hair. It deeply penetrates to soften your beard and treat damaged skin.

Horse Chestnut Seed Extract - strengthens the hair roots and accelerates hair growth.

Baobab Oil - contains vitamin A to boost hair growth, vitamin C to combat oxidative stress, vitamin E to improve overall hair growth and omega fatty acids to improve hair growth and thickness.

Marula Oil - helps to keep hair moisturised by preventing water loss from each strand. This keeps your beard and hairline thick by preventing breakage. It also feeds and stimulates your hair follicles, making them stronger and more productive.

50 ml

Beard Growth Balm

Strengthen your hair while encouraging and stimulating hair growth.

Description

A nourishing balm containing natural and essential oils. Enhances the condition of your beard while stimulating hair growth.

Application

Apply to your beard at night. Vigorously work the balm into your beard to ensure all over application.

Ingredients

Sesame Seed Oil - improves blood circulation to stimulate hair growth and help inhibit premature greying.

Jojoba Seed Oil - contains vitamins B, C, zinc and copper to nourish your hair and promote thick, healthy growth.

Helianthus Annuus Seed Wax - keeps hair soft and moisturised, and assists with hair loss.

Passionfruit Oil - contains potassium, vitamin B6 and vitamin B2, which improve circulation, hair growth and hair follicle health.

Cedarwood Bark Oil - balances oil-producing glands and promotes hair growth.

Rosewood Oil - containing carnosic acid, that improves cellular turnover in the hair follicle and improves blood circulation, for optimal hair growth.

50 ml

Beard Growth & Hydrating Oil

Targets hair roots, follicles, skin cells and the hair itself.

Description

A hydrating oil containing natural antioxidants and essential fatty acids. Its antimicrobial properties keep your skin rejuvenated and your beard healthy while stimulating hair growth.

Application

Apply to your beard twice daily. Gently massage until fully absorbed.

Ingredients

Apricot Kernel Oil - contains Omega-9 oil, which moisturises your hair while increasing its hydration level, reducing dryness. Linoleic acid stimulates hair growth.

Sesame Seed Oil - a powerhouse of essential vitamins and minerals that promotes hair growth and health.

Jojoba Seed Oil - contain oleic and behenic acids that strengthen the follicle roots and balance natural oils.

Jamaican Black Castor Seed Oil - increases blood flow, which promotes healthier hair.

Hemp Seed Oil - Omega-3 and Omega-6 retain moisture and strengthen hair follicles to assist with stable hair growth. Vitamins A, C and E manage hair nourishment.

Argan Oils - strengthens hair follicles and promotes cell production, encouraging thicker, healthier hair growth.

Baobab, Marula and Rosehip Oil - deeply moisturise and strengthens the hair.

Inca Inchi Seed Oil - Omega-3 oil regulates oil production and locks in moisture, while vitamin E regenerates hair and soothes itchiness, dryness and inflammation.

50 ml

Beard Butter

Conditions and softens your beard giving you better control.

Description

Specifically formulated to soften and nourish your beard, while keeping it under control.

Application

Apply to your dry beard after cleansing with Beard & Face Wash.

Ingredients

Rice Bran Oil - Omega-3 and Omega-6 fatty acids, inositol, and vitamins E and K penetrate the hair cuticle to seal in moisture, repair damaged hair strands, and smooth frizzy and fly-away hair.

Avocado Butter - oleic acid reduces inflammation, antioxidants protect against UV damage, and vitamin B boosts hair growth and moisture levels.

Hydrolysed Jojoba Esters - conditions your hair and skin.

Helianthus Annuus Seed Wax - provide softness, moisturises your hair, adding softness and shine.

Argan Oil - strengthens, repairs, reinforces and smooths your hair to tone down frizz.

Nasturtium, Garlic, Pine, Burdock, Rosemary, Ivy and Arnica Extracts - strengthens your hair's keratin preventing breakage and promoting new hair growth while enhancing hair condition and shine.

100 ml

Facial Moisturiser

An all-in-one moisturiser controlling sebum, hydration and ageing.

Description

Contains oils and vitamins to stimulate your skin's natural protective mechanism, while combating the visible signs of ageing.

Application

Apply to cleansed, dry skin. Gently rub in until fully absorbed, mornings and evening.

Ingredients
